James Frost, Pastor

***"And Mary said, 'My soul magnifies the Lord,  
and my spirit has rejoiced in God my Savior'" (Luke 1:46-47).***

Praise is the spontaneous response of a grateful child of God in His presence. The person who knows God and experiences Him, intimately sings to the Lord with deepest praise! Mary was overwhelmed by the Lord's goodness to her, and in response, she sang one of the most beautiful and profound songs of praise found in Scripture. Trying to stop the praise of a thankful heart would be like trying to arrest the flow of a mighty waterfall! God created us to praise Him; praise will be our activity when we are gathered around His throne in heaven.

We should never have difficulty thinking of reasons why God deserves our praise. We should enjoy the times we have to praise our Lord, both privately, publicly, and incorporate worship. If our lives are not filled with praise, it may be that we have lost our appreciation for God's merciful activity in our lives. And let us never forget, what God has saved us from. Never take for granted what it means to have the assurance of eternity with God. Do not disregard the spiritual kinship we as believers enjoy with other believers. Take time often to recount the blessings, that He has poured out upon you and your family. As we contemplate the boundless love and mercy God has shown to us, we will want to sing His praises as Mary did. Spontaneous praise, is authentic praise. It is praise that doesn't need to be manipulated or orchestrated, for it is a real and personal expression of a grateful heart and wonder-filled life, which has encountered a holy God!

Lu and I would love to wish all, who in our wonderful church family, a very blessed and happy Thanksgiving and Christmas, remembering once again the Reason for this Season!

Merry Christmas!

*Pastor James*

## TRUSTEES SNAPSHOT

Kim Beck, Board of Trustees, Chair

Hi Everyone!!! What a wonderful time of year. As I think of Thanksgiving, I think of all that we here at First Congregational church have to be thankful for. We have one of the most loving, giving congregations I have ever been a part of. We truly are the hands and feet of Jesus in our community and in our world-ie Samaritan's Purse boxes for children. Wherever there's a need, we reach out and work towards meeting it. It's an honor to be part of this congregation and to be on your Board of Trustees.

One of the ways we are reaching out is through the Salida Community Christmas Program. It was not going to be able to continue as it has in the past because they needed a non-profit sponsor. The director of it reached out, and after discussion, we felt that it was a perfect way for our church to reach out to our community. We have always participated, but we are taking on a larger role. We had two people step up to help organize it, and soon you will see a barrel in our foyer to collect toys. There will be more information coming out, but I wanted to give you a sneak preview.

Be sure to take a look at the windows on the back side of the Church. They have been replaced and look wonderful, as well as being more energy efficient. We just need to get blinds on the Bible study room windows, and the Sunday school rooms will be in good shape.

As I said it is an honor to be part of this church, and I look forward to seeing all we can accomplish for our Lord during the holiday season!! And as always please keep us in prayer—especially as we start working on the budget for 2020! We want to be wise and follow God's direction as we look forward to another year!!!

Blessings to all!!!!

**KALEY SAVES THE DAY**

When Kim Kim Kiernan was experiencing some complications on one Sunday in September, it was daughter, Kaley, who said, "Mom, I think you are having a heart attack... You need to go to the hospital." And, indeed Kim did have a heart attack.

And, to think that this day started out after Coffee Hour with good vibes and laughter about Kim's gravy... Or the lack of being able to make gravy.

So.... Good job, Kaley, in recognizing that the symptoms of a heart attack. We are all grateful for your quick thinking!

## IDAHO TRIP

*Elaine Tindle*

Idaho trip to visit Ryan, April, Kaitlynn, Christina and Elizabeth.

I left on August 13th with my son and daughter-in-law, Gary and Diane, for Idaho Falls to visit my grandson Ryan and family. We went as far as Elko, Nevada to spend the night. The next day we arrived in Idaho Falls early afternoon.

My daughter Denise and son-in-law Delbert and grandson Nathan also arrived a few hours later.

My granddaughter Jessica, her husband Jesse and son Isaac also arrived about the same time.

So then we all left to go to Island Park where we had rented a 5 bedroom cabin for the next 6 days. It was in a beautiful resort area that had a lovely lake.

The next day after my son-in-law Delbert cooked us all a wonderful breakfast we all let to go to Yellowstone for the day. There were 14 of us. It was about an half our drive to the west entrance of Yellowstone. My what a very busy place, it is an amazing place. Old Faithful did it's amazing thing. It was a good day, but didn't see many animals.

The next few days were filled with shopping in West Yellowstone, fishing, riding dune buggies, going to the lake,

Fun was had by all of us and everyone made it back home safe!

## New Christmas Tradition

Beginning December 1st read one chapter of the book of Luke in the Bible each evening.

There are 24 chapters.

On Christmas Eve you will have read an entire account of Jesus's Life and wake up Christmas morning knowing WHO and WHY we celebrate!!

**MY FAVORITE THANKSGIVING***Linda Kendall*

In 1978 we had Thanksgiving at our new house on Bacon Road (new to us). It was a warm beautiful sunny day. We decided to set up our volleyball net in the back yard. It was the first time and the last time that all of us four Wyeth kids, along with their children got together. We all played volleyball and I mean all of us, even Mom and Dad.

It was so much fun and it is a Thanksgiving I will always remember.

### **Miles Ashton Riley**

September 5, 1933 ~ September 19, 2019

Miles Ashton Riley took the road to glory to be with his Lord and Savior on September 19th, 2019 at home with family by his side. Miles was born September 5th, 1933 in Gooding, Idaho to Florence Ethel and William Ashton Riley. He was preceded in death by his parents, brother Wayne Riley, and Sister Gretta Hammond.

Miles greatest treasures were the times he spent with his family. Miles was also a proud veteran of the United States Army. He served as a paratrooper with the 11th Airborne Division from 1955-1958. He loved the comradery he shared with other veterans as he wore his 11th Airborne ball cap. He is a member of the Salida Congregational Church and spent years volunteering with the food distribution program. He could be spotted on Mondays loading up his red wagon with groceries to give to the families in need. Miles, who never met a stranger, was an avid mall walker, walking between 5 and 10 miles a day well into his 80's. His smiles and warm greetings brought joy to all. He also enjoyed singing in the choir, golfing, reading western books, and watching John Wayne movies. Miles is survived by his wife of 57 years, Sharon Lee Riley, his children Todd Riley (Robin) of Sacramento and Kelly Espinosa (Steve) of Mission Viejo; Granddaughters Ashley Wirth (Kyle), Caitlin Riley, and Hannah Riley; Great grandson Casey Wirth, sibling Gertrude Marie Smith of Durham, and nephews Mikal and Lance Smith.

A celebration of life to honor Miles immediately followed a 21-gun salute.

**MY RUNNING***Diane Suzuki*

Carol Hertle said that I should write about my running. So... Here are a few facts about my running escapades.

It all began when I joined the Leukemia and Lymphoma Society's Team in Training program in 2006, to honor my uncle who had passed away from leukemia. I walked my first marathon in San Diego... 26.2 miles! And, a few more after that raising thousands of dollars for the Society.

From that first marathon, it morphed into eventually walking and running almost nine marathons. I have run marathons in Anchorage, Disney World, San Francisco, San Luis Obispo, Seattle, and, of course, San Diego. I have run in six states plus Washington, D.C.

Half marathons -13.1 miles - have been run in over 20 California cities. I have seen the scenery in Maui, Disney World, and Las Vegas. A run through Stanley Park and other areas of Vancouver, British Columbia, Canada, has been my only out of the United States half marathon.

All in all, I have run over 70 half marathons, almost nine full marathons, many 10Ks (6.2 miles), a few 15Ks (9.3 miles), and a few 5Ks. The iconic Bay to Breakers 12K in San Francisco has had my feet pound their pavement and up Hayes Hill five time leading to the 100th Anniversary Race in 2011, including tossing tortillas like Frisbees at the start. We semi wore costumes..

My almost marathon was the Inaugural Seattle Marathon. I ran 16 miles when my leg began to say "not fun", so I took the turn to the half course, and crossed the finish line upright! The course started in Tukwila near SEATAC, the airport, and ended at the Seahawks Stadium.

I have run across the Golden Gate Bridge, actually walking across it to take in the scenery. Run through Golden Gate Park... Run in ATT and Oracle parks, River Cats Raley Field, all the parks in Disney World, Disneyland and California Adventure, along The Great Highway in San Francisco. Took the Goofy Challenge in Disney World, running a half marathon on Saturday and a full marathon on Sunday with rain, snowflakes, sleet, and black ice greeting us!

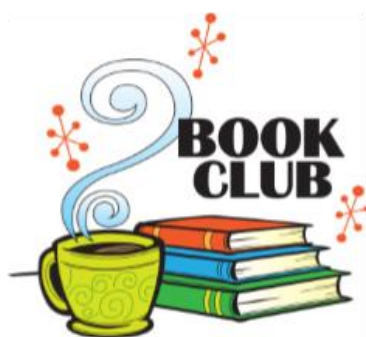

I have run all ten of the Modesto Half Marathons. Am registered for the 11th one in 2020. This is a great community event as it benefits "Teens Run Modesto", a training program for area youth in junior high and high school. Fulfilling their requirements means receiving a pair of running shoes and entry into the half or full marathon, and of course, coaching. There are scholarships awarded. A win-win program!

One half marathon stands out... McFarland USA. It was the inaugural event. The 2015 movie, McFarland, USA, was based on the high school's cross country team which won their first State Championship in 1987.

Continued on Page 23

Continued from page 22

We ran through the same vineyards, orchards, and through town just as the team had done. The race ended with a run through the high school. I was one of the last runners in and had the distinct honor of being run in by one of the members of that team who won the State Championship, Danny Diaz. As we ran through the school, he pointed out where the bleachers had been as Coach White talked to them during practice, the back of Coach White's house, etc. As we crossed the finish line, Danny grabbed my hand and we crossed the finish line! It was a special moment. And... Unfortunately there was no photographer at the finish to capture the moment.

As a greeter you welcome everybody on Sunday morning as they enter the Sanctuary handing them a bulletin.

Sign up on the calendar in the Fellowship Hall. It is located on the bulletin board just past the Broadway Avenue door.

Sam Jennings is the friend of Bruce Velthoen in the Velthoen Legacy story. He was listed as Ken.

### THE GRAPEVINE ONLINE

If you would prefer to read The Grapevine online rather than receiving a hard copy, please let us know by calling the church and letting Elizabeth know, 545-1156.

### CELL PHONES AND THE SANCTUARY

When a cell phone rings in the sanctuary, it may seem like a minor interruption, but it does take away from the moment whether it be during words spoken or a moment of silence. It is a distraction in the spirituality of the moment... one's train of thought gets broken.. . it takes a moment to refocus, and move on.

So... Please kindly remember to SILENCE all electronic devices before entering the sanctuary as a courtesy to everyone.

If you need to have your cellphone on because of an emergency, please set it to vibrate, and take the call outside of the sanctuary.
